

³ Funding from fee revenue is provided to increase the one-time appropriation for microbiology laboratory technology upgrades to provide a total of \$483,000, of which \$90,000 is from the general fund, \$360,000 is from federal funds, and \$33,000 is from special funds from fee revenue, the same as the Senate version.

The conference committee did not add \$5,165,980 of federal funds relating to an anticipated opioid grant, which the Senate had added. A section of legislative intent is added that the department implement a program of electronic access to vital records through web access or kiosk in cooperation with other state agencies in at least eight locations around the state. In addition, the section requires the department report to the Legislative Management by July 1, 2020, regarding the implementation of electronic access to vital records. This section was also included in the Senate version.

Engrossed HB 1004 was placed on the Seventh order of business on the calendar.
