Re: Criminal Review of 1720 Burlington Drive Lease

Dear Mr. Enget:

The North Dakota Ethics Commission ("Commission") is in the process of investigating several complaints filed against Representative Jason Dockter. The complaints relate to the lease by the Office of Attorney General of the property located at 1720 Burlington Drive in Bismarck, North Dakota. The Commission has learned you were tasked with a criminal review of the cost overrun regarding the lease agreement between the Office of the Attorney General and Stealth Properties, LLC in January 2024.

At this time, I am writing to respectfully inquire on the status of the criminal review of the cost overrun matter. On March 6, 2024, the North Dakota Monitor and the Fargo Forum reported you completed your review of the matter and suggested it should be further reviewed and investigated by law enforcement. The Commission has not received any information on whether further investigation has taken place or the status of any such further review. Therefore, we are reaching out to you for clarification on the status of this criminal review as it may impact the Commission's investigation moving forward.

Pursuant to N.D.C.C. § 54-66-12(1), this request for information and any information you provide in response is a confidential record as defined in N.D.C.C. § 44-04-17.1. If you have any questions or concerns, please feel free to contact the Commission's office at your convenience.

Sincerely,

Rebecca Binstock
Executive Director, North Dakota Ethics Commission
