Hi Director Binstock and Ms. Maier,

The North Dakota University System Office lease with Bismarck State College incorrectly lists the building leased as the Horizon Building. The correct building name under lease at this time was the Meadowlark Building. Our office subleased office space for 4 FTE staff from Bismarck State College and I've attached a copy of the sublease agreement for your reference that lists the owner of the building as BDJ Partnership.

The other leases listed in the report are two with UND and one with Park Holdings II LLP, including Patrick Vesey.

Let me know if you have additional questions or need additional information.

Thank you,

David
