Good morning Parrell,

For interviews, we do not create a transcript. We use the audio file as the official record. Teams makes a transcript, but we do not use it as the record because it is very inaccurate and unreliable.

Please let me know if you have additional questions or concerns.

Thank you,
Logan

Thank you. Will I at some time receive a copy of the typed transcript to review for accuracy or correction?

Good afternoon, Parrell:

You should have received a separate email from our secure file transfer system to download and view the interview recording per your request. If you have any questions, you may reach out to Logan Carpenter (cc'd).

Thanks,
