Re: Investigation of Complaints filed with the Ethics Commission (Complaint Nos. 22-003 – 22-010)

Dear Director Sisk:

The North Dakota Ethics Commission ("Commission") is in the process of investigating several complaints filed against Representative Jason Dockter. The complaints relate to the lease by the Office of the Attorney General of the property located at 1720 Burlington Drive in Bismarck, North Dakota. At this time, the Commission is respectfully requesting documents from your office to assist in our investigation.

We believe Representative Dockter may have financial interests in state leases in addition to the underlying 1720 Burlington Drive leases. Therefore, we are requesting copies of any and all state leases known to your office that Representative Dockter or entities associated with Representative Dockter may have a financial interest in. We are additionally requesting any communications retained by your office related to any such leases. The authority of the Commission to request documentation lies under Article XIV, § 3(2) of the North Dakota Constitution and N.D.C.C. § 54-66-08(3).

Pursuant to N.D.C.C. § 54-66-12(1), this request for information and any information you provide in response is a confidential record as defined in N.D.C.C. § 44-04-17.1. If you have any questions or concerns, please feel free to contact the Commission's office at your convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read "R Binstock".
