Re: Renewed Request for Interviews (No. 22-003 – 22-010)

Dear Attorney General Wrigley:

The North Dakota Ethics Commission ("Commission") is continuing its investigation into complaints filed against Representative Jason Dockter. The complaints relate to the lease by the Office of the Attorney General of the property located at 1720 Burlington Drive in Bismarck, North Dakota. The Commission previously requested interviews with Bureau of Criminal Investigation Director Lonnie Grabowska and Ms. Becky Keller from your office, as they were identified as key witnesses regarding this matter.

In response to the Commission's earlier request for interviews, you indicated your office would facilitate the Commission's request "only after a state's attorney has had an opportunity to evaluate [the Montana Department of Criminal Investigation's] report and complete the investigation and make any charging determinations." A state's attorney has since reviewed the report.

At this time, as the Commission prepares to wind up its investigation, it renews its request for your office to make Director Grabowska and Ms. Keller available for interviews. The authority of the Commission for requesting witness interviews lies under Article XIV of the North Dakota Constitution and N.D.C.C. § 54-66-08(3). Please let us know Director Grabowska's and Ms. Keller's availability for interviews with our office by October 18, 2024, to allow sufficient time to schedule the interviews.

Pursuant to N.D.C.C. § 54-66-12(1), this request for interviews and any information you provide in response is a confidential record as defined in N.D.C.C. § 44-04-17.1. Thank you for your anticipated cooperation. If you have any questions or concerns, please feel free to contact the Commission's office.

Sincerely,
