Re: Investigation of Complaints filed with the Ethics Commission (Complaint Nos. 22-003 – 22-010)

Dear Ms. Kriege:

The North Dakota Ethics Commission ("Commission") is in the process of investigating several complaints filed against Representative Jason Dockter. The complaints relate to the lease by the Office of the Attorney General of the property located at 1720 Burlington Drive in Bismarck, North Dakota ("Burlington property"). The Commission believes your office has information relevant to its investigation. At this time, the Commission respectfully requests your office provide information to assist in the investigation.

The Commission has learned the Office of the State Fire Marshal previously held space at the Burlington property. The Commission was informed the Office of the State Fire Marshal had to vacate the space after the office was reassigned from the Office of the Attorney General to the Insurance Department. Accordingly, we are requesting the following from your office.

1. The current physical address where the Office of the State Fire Marshal is located.
2. Background information on the circumstances leading to the relocation of the Office of the State Fire Marshal.

The authority of the Commission to request information lies under Article XIV, § 3(2) of the North Dakota Constitution and N.D.C.C. § 54-66-08(3).

Pursuant to N.D.C.C. § 54-66-12(1), this request for information and any information you provide in response is a confidential record as defined in N.D.C.C. § 44-04-17.1. If you have any questions or concerns, please feel free to contact the Commission's office at your convenience.
