Subject: Follow Up Questions (Complaint Nos. 22-003 - 22-010)

Good afternoon Representative Dockter,

I hope you are doing well and getting back into the swing of legislative session. We are wrapping up our investigation of the complaints filed with our office and have a few questions we need to follow up on with you. You can insert your answers right after the questions in the body of this email and send it back to me. The questions are as follows:

1. When did you sell your interest in New Vision Properties, LLC? Did you have an interest in New Vision Properties, LLC when voting on the Department of Corrections and Rehabilitation's budget bill in 2021? **(I sold my interest in June of 2022 and I would have voted on the budget, unless I was absent.)**
2. What was your ownership percentage in New Vision Properties, LLC? Did your ownership percentage change over time or was it always the same? **(I had 25% percent interest in New Vision and my percentage never changed)**
3. What is your ownership percentage in Marvin Darius, LLC? Did your ownership percentage change over time or was it always the same? **(I have 15% percent interest in Marvin Darius and my percentage has never changed)**
4. If you know, what was the fair market value of the Burlington property before the renovation/expansion? What is it currently? Has it fluctuated since the construction project was completed? **(I know what we paid for the property, but I do not know what the fair market value was at the time of the purchase. The value would of changed because of the new addition to the existing building. I would not know what the current value**

would be unless there was an appraisal done on the property.

Thank you again for your cooperation as we finish things up. We greatly appreciate it. Pursuant to N.D.C.C. § 54-66-12(1), this request for information and any information you provide in response is a confidential record as defined in N.D.C.C. § 44-04-17.1.
