I will pick up the report after tax committee tomorrow morning. I have two conference committee meetings this afternoon and another meeting I have to attend that just came up today.

Thanks, Jason

Good Evening, Representative Dockter:

Commission staff has completed the Report and Recommendation for the above-referenced matters. We appreciate your patience this week as we finalized the Report and Recommendation - our schedule was interrupted with some budget bill issues which pulled us away from our work.

We would like to get a hard copy of the Report and Recommendation to you on Monday. Please let us know when you would be able to stop by the Commission's office or when we could drop off the report with you.

The Commission has a meeting set for May 6-7. On one of the days, the Commission can consider the Report and Recommendation in executive session. If you need additional time to review and/or respond to the Report and Recommendation, please let us know and we can set a special meeting for later in May. Please do not hesitate to reach out with any questions.

Thank you,  
Rebecca
