Dear Mr. Enget:

Thank you for your response to my June 11, 2024 letter. The North Dakota Ethics Commission ("Commission") appreciates your response and the clarifying information you provided. As the Commission continues reviewing the complaints filed with our office, we believe the materials you reviewed in the cost overrun matter may be helpful to our continuing investigation. At this time, the Commission would respectfully request you provide these records to assist in our review.

The Commission believes any working papers, exhibits, interview recordings, or other evidence created for the report in Montana Department of Justice case MC 221207 may provide important facts related to our investigation. Accordingly, pursuant to Article XIV, Section 3 of the North Dakota Constitution and N.D.C.C. § 54-66-08(3), the Commission requests you provide working papers, exhibits, interview recordings, or other evidence to our office. If any of the requested records are confidential, the Commission must maintain their confidentiality once it receives them pursuant to N.D.C.C. § 44-04-18.10(5).

Pursuant to N.D.C.C. § 54-66-12(1), this request for information and any information you provide in response is a confidential record as defined in N.D.C.C. § 44-04-17.1. If you have any questions or concerns, please feel free to contact the Commission's office at your convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Binstock".
