  - N.D. Rural Water Systems Association

Each participant on the tour is provided lunch and refreshments. The general public is charged \$40 to participate. Past practice has been to provide this educational opportunity free of charge to Legislators, County Commissioners and Auditors, Congressional Staff, and other public officials, and we will plan to continue to not charge those policy makers. These tours are sponsored by several entities. The tour brochure can be found on our website at <https://ndwater.org/events/>.
